Dear Parents,

Welcome to the 2016-2017 school year! Back by popular demand, the Barbara Ingram School for the Arts Foundation "Hearts for the Arts" Annual Membership Campaign special "parent" (\$150) level of giving. Parents are asked to contribute \$100 towards their students discipline for the extra expenses. This is an activities fee for extra curriculum cost. This fee includes but is not limited to the following items needed for a student to excel in their extra curriculum discipline: lock (\$10), handbook (\$8) costume cleaning, additional art supplies, copying of music etc. This membership will pay that fee per your students discipline and for an extra \$50 include 10 (\$5.00) regular admission tickets to any discipline performance not held at the Maryland Theatre. Call Mrs. Webb in advance if you want to use your HFA tickets. Seating is limited.

As a parent, you will be receiving the "Hearts for the Arts" brochure in the mail. If you choose to upgrade your level of giving, then you will receive both benefits packages. For example: If you select the highest level of membership the "Golden Ticket" for \$1000 you will pay for your fee and get the 10 discipline tickets and the list of items under that membership.

Your membership for the Barbara Ingram School for the Arts Foundation "Hearts for the Arts" campaign will be used to expand learning experiences for students and to aid in their professional development. The Barbara Ingram School for the Arts Foundation believes students should be provided the best opportunities to discover and develop their artistic talents and grow as artists. We believe that such growth is rooted in a strong academic foundation along with partnerships with businesses and the arts community. We believe that education combined with the arts and business partnerships plays an essential role in the development of the next generation of artists and cultural leaders.

On behalf of the Foundation Board, faculty and students at the school we want to thank you, in advance, for your support and investment in the next generation of artists. We look forward to sharing our talents with you and the community throughout the school year.
