

Your Sponsorship Directly Impacts the Students at

BARBARA INGRAM SCHOOL FOR THE ARTS

Pauline K. Anderson Student Grant Program

These grant dollars support the success of individual BISFA students by helping with expenses such as the cost of required field trips; and equipment, supplies or clothing necessary for their artistic or educational development. Awards are made every month while school is in session.

Summer Arts Academy (Open to the Community)

The mission of the Summer Arts Academy is to provide a creative and supportive environment for young adults to grow as artists, writers, dancers, actors, musicians and individuals. All area students are welcome to participate and all programs are held at the BISFA building located in downtown Hagerstown.

Artist in Residence

The Barbara Ingram School for the Arts Foundation sponsors guest Artist in Residence to enhance the BISFA teaching experience. Most instructors are for private lessons in their particular discipline.

BISFA Department Enrichment Grants for School Arts and Academic Activities

The Enrichment Grants for School Arts and Academic Activities make it possible for BISFA students in EVERY discipline to greatly benefit from an enhanced arts education. These grants provide funds for valuable programs and activities such as guest artists, master classes, performance opportunities, off-site learning and other enrichment programs that greatly add to the overall educational experience for BISFA students.

The Hamilton Family Foundation Student Achievement Grant Program

This program supports individual BISFA students who achieve state, regional, national and eastern competitions with educational development opportunities based on audition, portfolio review or academic selection and other earned opportunities while attending BISFA. Grants are awarded every month while school is in session.
