

FOUNDATION SNAPSHOT

10 Years of Supporting Student Artists and Educators

PURPOSE OF THE FOUNDATION

The Barbara Ingram School for the Arts Foundation was established to raise funds to support Barbara Ingram School for the Arts. Funds raised are used to bridge the gap between public school funds allocated by the Washington County Board of Education and the true cost of an arts education curriculum.

THE BISFA FOUNDATION ...

- ... has raised over \$2 million to support the school and build an endowment.
- ... awards grants to BISFA students and staff to support programming and achieve success.
- ... Board of Directors is comprised of up to 25 members, bringing their unique talents together to raise funds and support the school.

Our annual Hearts for the Arts membership campaign directly funds the BISFA Discipline Enrichment Grant program. This makes it possible for BISFA students in EVERY discipline to benefit from an enhanced arts education, including studying and performing with professional artists, including guest artists, master teachers, and artists-in-residence; an enriched arts curriculum with specialized instruction beyond traditional high school programs; performance opportunities, which give a competitive edge when auditioning post-high school; off-site learning opportunities; state-of-the-art technology and learning tools; and other experiences.

Our annual Supporting the Arts sponsorship campaign allows local businesses to gain valuable exposure. More than 12,000 All-School Musical program books are printed and distributed and over 6,000 tickets are sold for the more than sixy BISFA student performances throughout the year. Added benefits include recognition as a BISFA supporter; valuable exposure through BISFA promotional materials, foundation website, and at BISFA events; and knowledge that you are supporting the arts and making a difference in educating the next generation of artists. Sponsorship directly impacts the students of Barbara Ingram School for the Arts.

GIVING TUESDAY NOW

May 5, 2020

In 2020, the Community Foundation of Washington County made the difficult decision to postpone Washington County Gives, an annual online giving event, usually held the first Tuesday each May.

They did encourage local nonprofits to participate in **Giving Tuesday Now**, a global movement to present a united front of hope, generosity, and kindness on May 5, 2020.

We are thankful for our donors who chose to participate during this time!
