ANNUAL HOLIDAY LAMP POST CAMPAIGN

Please join the BISFA Foundation and Downtown Hagerstown in decorating our downtown area for the Holiday Season.

Your sponsorship includes an 18" x 18" sign placed at the top of each decorated lamp post.

Your personal name, company name, or logo will be printed on the sign with your choice of holiday greeting.

The city has 150 numbered posts to share your holiday greeting. If you have a specific lamp post location that you would like, please indicate that number below. The numbers are in yellow on the base of the lamp post for reference. Otherwise, your location will be assigned once your sponsorship form has been received.

You may also add an extra decal to show your BISFA pride. This can be added at no additional cost and you may choose from one of the five options below.
